

Help
someone
else learn!

Become a volunteer
**Outreach Worker
for Literacy (tutor)**

Help someone else with ...

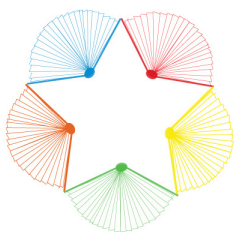

- Reading
- Writing
- Math
- Computers
- English as a second language

Share your
time and
talent!

Volunteer Outreach Workers for Literacy tutor and mentor adults in our community (including adults returning to complete academic goals, adults in the workplace and English as a second language learners), youth, or parents with young children who have something they need or would like to learn, and who would appreciate help from someone else.
